

## College-Paid Application Fee

The college and/or department to which I am applying will be covering the cost of my application fee via an interdepartmental transfer. This form serves as notification to the Graduate School for tracking purposes only. I understand that I cannot use this form for additional applications to other programs unless the department has already indicated to me that they will be paying my application fee.

**Note:** If an applicant uploads this form when applying to a program that does not pay for application fees, the applicant will be responsible for providing an application fee payment prior to the Graduate School processing the application. Some programs will assess this fee to students at registration.
