

IPEX '26

Interprofessional Education Experience

What Is IPEX?

IPEX (Interprofessional Education Experience) brings together students, health professionals, and community partners from diverse disciplines to develop the communication, teamwork, and collaborative skills needed to improve patient care and community health. IPEX helps **prepare a future-ready workforce for collaborative practice and today's complex health challenges.**

Event Details

WHO

Students, Health Professionals, & Community Partners

Mengler UC Room

IPEX Impact

In partnership with the **St. Mary's HELPS Economics, Law and Policy Forum**, IPEX:

- **Prepares** a future-ready, collaborative workforce.
- **Builds** IPEC Core Competencies for team-based practice.
- **Connects** healthcare, technology, law, policy, and community partners.
- **Inspires** innovative solutions to today's complex health challenges.
- **Advances** collaboration to improve patient care and community health.

How to Participate

Students & professionals register at Eventbrite - <https://IPEX26.eventbrite.com>

Sponsors can support at [St. Mary's University Giving](#) - list IPEX when donating
