

## **SAKIKO OYAMA, PHD, ATC**

### **OFFICE ADDRESS**

University of Texas San Antonio  
Department of Kinesiology  
Main Building Room 3.416  
San Antonio, TX 78249  
Sakiko.oyama@utsa.edu

### **HOME ADDRESS**

330 Clay Unit 3  
San Antonio, TX 78204

### **EDUCATION**

---

**University of North Carolina at Chapel Hill**, Chapel Hill, NC  
Interdisciplinary program in Human Movement Science (Doctoral Program)  
School of Medicine, Division of Allied Health, August 2012

**University of Pittsburgh**, Pittsburgh, PA  
Master of Science in Sports Medicine, August 2006  
School of Health and Rehabilitation Science

**Oregon State University**, Corvallis, OR  
Bachelor of Science in Exercise and Sports Science, June 2004  
School of Health and Human Science

### **PROFESSIONAL EXPERIENCE**

---

2020 - Present	University of Texas at San Antonio Associate Professor and Assistant Chair, Department of Kinesiology Director, Applied Biomechanics Research Laboratory
2018 - 2020	University of Texas at San Antonio Associate Professor and Assistant Chair, Department of Kinesiology, Health, and Nutrition Director, Applied Biomechanics Research Laboratory
2012 - 2018	University of Texas at San Antonio, Assistant Professor, Department of Kinesiology, Health, and Nutrition Director, Applied Biomechanics Research Laboratory
2007 - 2012	University of North Carolina at Chapel Hill Research Coordinator, Department of Orthopaedics (2009 - 2011) Research Assistant, Sports Medicine Research Laboratory    Research Assistant, Neuromuscular Research Laboratory

2005 - 2007      University of Pittsburgh  
Research Assistant, Neuromuscular Research Laboratory  
Graduate Assistant Athletic Trainer

## HONORS AND AWARDS

---

2012      Journal of Athletic Training Kenneth Knight Award for the Outstanding  
Research Manuscript (Role: Co-author)  
University of North Carolina at Chapel Hill, Chapel Hill, NC

2012      National Athletic Trainers' Association Research and Education  
Foundation, Free Communications Doctoral Poster Award Finalist  
University of North Carolina at Chapel Hill, Chapel Hill, NC

2011      Louis and Eleanor Duquette Scholarship  
University of North Carolina at Chapel Hill, Chapel Hill, NC

2010      Human Movement Science Research Day Student Poster Award  
University of North Carolina at Chapel Hill, Chapel Hill, NC

2007      National Athletic Training Association Doctoral Scholarship  
University of Pittsburgh, Pittsburgh, PA

2003      Student Athletic Training Scholarship  
Oregon State University, Corvallis, OR

2003      James and Verna Long Dean's Scholarship  
Oregon State University, Corvallis, OR

2000      Drucilla Shepard Smith Scholastic Award  
Oregon State University, Corvallis, OR

2000 - 2004      Provost's Scholarship  
Oregon State University, Corvallis, OR

2000 - 2004      College of Human Performance Dean's List  
Oregon State University, Corvallis, OR

## TEACHING EXPERIENCE

---

### University of Texas at San Antonio

#### **Instructor**

2016 - Present      Therapeutic Modalities (Undergraduate)  
2015 - Present      Clinical Application of Athletic Injuries (Undergraduate)  
2013 - Present      Advanced Athletic Training (Injury assessment) (Undergraduate)  
2012 - Present      Biomechanics (Undergraduate)  
2012 - Present      Biomechanics (Graduate)

#### **Guest Lecturer**

2013 - Present      Cultural and Scientific Foundations (Undergraduate)  
2012 - 2013      Current topics in Kinesiology Health Education (*Graduate*)

## University of North Carolina at Chapel Hill

### **Instructor**

2009 - 2011 Human Cadaver Anatomy Lab (Undergraduate)  
2008 Emergency Care (Undergraduate)

### **Teaching Assistant**

2012 Therapeutic Modalities (Undergraduate)  
2011 Research and Statistics Lab in Sports Medicine (Graduate)  
2007 - 2012 Human Anatomy and Physiology (Undergraduate)  
2009 - 2010 Laboratory Techniques in Sports Medicine (*Graduate*)  
2009 - 2010 Human Gross Anatomy for Athletic Trainers (*Graduate*)  
2007 - 2008 Biomechanics (Undergraduate)  
2007 - 2008 First aid and CPR (Undergraduate)  
2007 General Medicine in Athletic Training (Undergraduate)

### **Guest Lecturer**

2009 - 2010 Orthopedic Assessment: Elbow (Graduate)

## University of Pittsburgh

### **Instructor**

2006 Introduction to Medical Terminology (Undergraduate)

### **Teaching Assistant**

2006 - 2007 Laboratory Techniques in Sports Medicine I/II (Graduate)  
2005 Care and Prevention of Athletic Injuries (Undergraduate)  
2005 Athletic Training Basics Laboratory (Undergraduate)

## **SCHOLARSHIP**

---

#### Regional Conferences

1. **Oyama S**. Understanding Pitching Injury Using the Dynamic Recursive Model of Etiology in Sports Injury. 2013 Iowa Athletic Trainer's Society Annual Meeting, Dubuque, IA (June 2nd)

2. **Oyama S.** Pathomechanics of elbow injuries. *2011 Charlotte Sports Medicine Symposium*, Charlotte, NC (June 4)
3. **Oyama S.** Linking physical characteristics with upper extremity injuries in overhead athletes. *2010 Charlotte Sports Medicine Symposium*, Charlotte, NC (June 5)

#### Local Meetings

1. **Oyama S.** Detecting alteration of movement patterns using inertial measurement unit. iPerform Center for Assistive Technologies to Enhance Human Performance UTSA/UTHSA Site Planning Meeting, San Antonio, TX (January 31<sup>st</sup>, 2017)
2. **Oyama S.** Use of Motion Analysis to Identify Biomechanical Injury Risk Factors. National Science Foundation Computer Research Infrastructure Workshop, Arlington, TX (May 1<sup>st</sup>, 2015)

#### **FUNDING**

---

#### **Pending**

#### **Current Research Support**

1. **Oyama S** (\$55,973) Effects of trunk strengthening program on pitching biomechanics in adolescent baseball pitchers: 2018 National Athletic Trainer's Association Research and Education Foundation General Grants Program.  
Role: Principal Investigator
2. **Oyama S & Park S** (\$5,000) Effects of desensitization of plantar surface in children with autism spectrum disorder with atypical gait: UTSA HCAP Pilot Grant.  
Role: Principal Investigator

#### **Pending Research Support**

1. **Oyama S & Nicolella** (\$516,132) A novel framework for the evaluation and mitigation of injury for youth and adolescent baseball pitchers Source of Support: R21-NIH (Initial submission February 2022)  
Role: Co-Principal Investigator
2. Neely L, Chen C, Chen Q, **Oyama S** (\$3,100,978) Human-machine teaming to improve effectiveness and efficiency of problem behavior treatment for persons with autism: R01-NIH (Initial submission February 2022)  
Role: Co-Investigator
3. **Giambini L** (\$1,889,645) Assessment and Prediction of Fracture Risk Factors in a Hispanic Population: R01-NIH (ND and resubmitted)  
Role: Co-Investigator

## Previous Research Support

1. Subramanian SK, Bluhm DL, White CL, Birnbaum LA, Neeley JW, **Oyama S** (\$47,750) The DESIGNER study: Post-Stroke Depression – association with Genetics (Brain Derived Neurotrophic Factor) upper limb motor Impairment and amount of use of the upper limb: University of Texas Health Science Center, Center for Biomedical Neuroscience, Pilot Project grant (2017) Role: Co-Investigator
2. **Oyama S** (\$4,709) Detection of fatigue using a wearable sensor in baseball pitchers: COEHD Faculty Research Award (2016) Role: Principal Investigator
3. Wilmlink JG, Elam D, **Oyama S** (\$6,274) A Non-Invasive Elderly Sensor Platform: WiseWear Corporation (2016) Role: Co-Principal Investigator
4. **Oyama S** (\$18,269) A long-duration capturing of three-dimensional scapular kinematics using inertial magnetic unit: 2015 UTSA Grants for Research Advancement and Transformation Development (GREAT). (2015)  
Role: Principal Investigator
5. **Oyama S** (\$4,107) Effects of 7-week shoulder exercise intervention on joint mobility, strength, and function in diabetics and non-diabetics: 2014 UTSA College of Education and Human Development Faculty Research Award. (2014)  
Role: Principal Investigator
6. Myers JB, Marshall SW, **Oyama S**, Guskiewicz KM, Blackburn JT, Creighton RA (\$150,000) Physical contributors to throwing injuries: A prospective study. National Institutes of Health: National Institute of Arthritis and Musculoskeletal and Skin Diseases RO3 Small Grants Program for New Investigators. (2009-2011)  
Role: Co-investigator / Research Coordinator
7. Myers JB, Clarke J, Spang J, **Oyama S**. (\$1800) Ultrasonographic assessment of humeral torsion: A validation study. North Carolina Translational and Clinical Sciences Institute Pilot Grant Program. (2010)  
Role: Co-investigator
8. **Oyama S**. (\$1,000) Scapular Kinematics during Shoulder Rehabilitation Exercises. School of Health and Rehabilitation Science Graduate Research Grant. (2006-2007)  
Role: Principal Investigator
9. **Oyama S**. & Ricci RD. (\$1,000) Profiling Physical Characteristics of Overhead Athlete's Shoulder. Freddie H. Fu Graduate Research Grant (2005-2006)  
Role: Co-principal Investigator

## Research Support (Not funded)

1. Giambini H and **Oyama S** (\$674,595) Non-invasive quantitative assessment of risk factors for overuse injury-prevention in young baseball pitchers: National Institute of Health, Clinical Observational Studies in Musculoskeletal, Rheumatic, and Skin Diseases (Submitted July 2020)  
Role: Co-Principal Investigator
2. Nability P, McGearly D, Jaramillo C, Houle T, **Oyama S** (\$300,000 / UTSA Sub award: \$17,980) Brief Massage Therapy for Post-Traumatic Headaches in Veterans: Department of Defense Peer Review Medical Research Program Clinical Trial Award,  
Role: Co-Investigator
3. Neely L & **Oyama S**. Project AIMMS [Automatic Individualize Measurement with Microsensors for Severe behavior] (\$20,000): 2018 UTSA GREAT Grant  
Role: Co-Principle Investigator
4. Wilmlink JG, Elam D, **Oyama S** (\$40,901 Sub award to UTSA) A Non-Invasive Elderly Sensor Platform: National Science Foundation, Small Business Innovation Research Phase II  
Role: Co-Investigator/Contractor
5. Bhounsule P, Jamshidi M, **Oyama S**, Land WM, Quarles J, (\$376,130) Acquisition of a modular robotics system for advancing research in improving human safety and quality of life: National Science Foundation Major Research Instrumentation Grant  
Role: Co-Principal Investigator
6. **Oyama S** Effects of Trunk Muscle Fatigue on Pitching Biomechanics: American College of Sports Medicine Clinical Sports Medicine Endowment.  
Role: Principal Investigator
7. Douphrete DI, Nowak B, **Oyama S** (\$50,000) Evaluation of a Novel Human Motion Capture System for Field-Based Musculoskeletal Injury Reduction. Institute for Integration of Medicine & Science, CTRC, GCCRI and UTSA Pilot Project.  
Role: Co-investigator
8. **Oyama S**. (\$2,475) Effects of instructional intervention on pitching mechanics in youth and high school baseball pitchers. 2011 National Athletic Trainers' Association Doctoral Research Grant  
Role: Principal Investigator
9. **Oyama S** & Myers JB. 2010 (\$1,998) Effects of instruction on injurious pitching mechanics and performance in youth baseball pitchers. North Carolina Translational and Clinical Sciences Institute Pilot Grant Program (2010)  
Role: Principal Investigator

10. Myers JB & **Oyama S.** (\$5,000) Linking physical characteristics and biomechanics of tennis serve and stroke to upper extremity pain complaints in recreational tennis players. University Research Council, Faculty Small Grants Program (2011)  
Role: Co-investigator
11. Myers JB, Creighton RA, Spang JT, **Oyama S.** (\$20,000) Shoulder physical contributors to throwing related elbow injury in baseball players. American Shoulder and Elbow Surgeons Research Grant Program (2008)  
Role: Co-investigator

### **Course Development Support Awarded**

1. **Oyama S** (\$7,500) Re-design of KIN3323 Biomechanics to a Q-course. Quantitative Literacy Program Development Grant, University of Texas at San Antonio (2014).  
Role: Primary-instructor

## **STUDENT RESEARCH ADVISEMENT**

---

### **Doctoral Dissertation Advisement**

- Gayani Samaraweera (UTSA, Computer Science, 2013-2016)  
Movement alteration by latency manipulation in a virtual environment for users with multiple sclerosis (Dissertation committee member)

### **Master's Thesis Advisement**

- John Paul Phillips (UTSA, Kinesiology, 2020 - Present)  
Assessment of asymmetry in posture, neuromuscular function of trunk musculature, and balance in adolescent baseball pitchers  
(Thesis committee chair)
- Brian Stephens (UTSA, Kinesiology, 2020 - 2021)  
The effects of center of pressure location during push off on ball velocity in adolescent baseball pitchers (Thesis committee chair)
- Montgomery Bertschy (UTSA, Kinesiology, 2019 - 2020)  
Effectiveness of Daily Subjective Wellness Measurements Via Mobile Applications in Predicting Perceived Exertion and Training Load (Thesis committee member)
- Camilla Nolen (UTSA, Kinesiology, 2016 - Present)  
Priming Bilateral Transfer: The Influence of Motor Priming During a Ball Tossing Task  
(Thesis committee member)
- Araceli Sosa (UTSA, Kinesiology, 2014 - 2016)

Evaluation of scapular kinematics during milking tasks (Thesis committee chair)

- Sonny Garcia (UTSA, Kinesiology, 2014 - 2015)  
The effect of enhancing error detection capabilities on performance and learning (Thesis committee member)
- Emily Quatromoni (University of North Carolina, Athletic Training, 2014 - 2015)  
Reliability of a Visual Observation Pitching Assessment in Adolescent Pitchers (Thesis committee member)
- Masi Soujoudi (UTSA, Kinesiology, 2012 - 2013)  
The relationship between ground reaction force characteristics and ball speed (Thesis committee chair)
- Michael Garza (UTSA, Kinesiology, 2012 - 2013)  
The effects of strength vs. endurance training on cardiac function and remodeling in post-myocardial infarction rats (Thesis committee member)
- Aashika Gandhi (UTSA, Kinesiology, 2012 - 2013)  
The bilateral transfer of force control in a sequential task is affected by its intensity (Thesis committee member)
- Eric Lengas (University of North Carolina, Athletic Training, 2011 - 2012)  
The effect of previous night's sleep quantity on clinical measurements of concussion (Primary doctoral student advisor)
- Robert Bonser (University of North Carolina, Athletic Training, 2011 - 2012)  
The effect of foot type on star-excursion and time-to-boundary measures during single-leg balance tasks (Primary doctoral student advisor)
- Bonnie Virag (University of North Carolina, Athletic Training, 2011 - 2012)  
Relationship between freestyle biomechanical errors and shoulder pain in elite competitive swimmers (Secondary doctoral student advisor)
- James Lisowski (University of North Carolina, Athletic Training, 2010 - 2011)  
Contribution of biceps brachii on glenohumeral strength, muscle activation patterns (Primary doctoral student advisor)
- Megan Pomoroski (University of North Carolina, Athletic Training, 2010 - 2011)  
Ankle bracing and fatigue on time-to-boundary measurements with chronic ankle instability (Primary doctoral student advisor)
- Elizabeth Hibberd (University of North Carolina, Athletic Training, 2009 - 2010)  
Effect of 6-week strengthening program on scapular stabilizer strength and scapular kinematics in division I collegiate swimmers (Primary doctoral student advisor)

- Veronica Aragon (University of North Carolina, Athletic Training, 2009 - 2010)  
An association between limited upper torso rotation and timing of rotation during throwing to shoulder pain in division I collegiate softball position players (Primary doctoral student advisor)
- Justin Tatman (University of North Carolina, Athletic Training, 2008 - 2009)  
Variations in range of motion characteristics between division I collegiate baseball and softball overhead athletes (Primary doctoral student advisor)
- Julianne Toler (University of North Carolina, Athletic Training, 2008 - 2009)  
Alternative techniques to gain emergency airway access (Secondary doctoral student advisor)
- Sarah Vizza (University of North Carolina, Athletic Training, 2007 - 2008)  
A prediction of SICK scapula syndrome from scapular stabilizer muscle activation analysis in overhead athletes (Primary doctoral student advisor)
- Candice Schucker (University of Pittsburgh, Rehabilitation Science, 2006 - 2007)  
Evaluation of three on-the-field posterior shoulder stretches in collegiate baseball players (Primary doctoral student advisor)

### **Medical Student Research Mentoring**

- Brittany Embry (University of Texas Health Science Center, 2013-2014)  
Stroke Pattern Efficiency and Muscle Fatigue during Wheelchair Propulsion (Research mentor)

### **Undergraduate Honors Thesis Advisement**

- Kylie Dugan (UTSA, Athletic Medicine, 2019-2020)  
Upper limb rehabilitation strategies for stroke patients using virtual reality (Thesis committee Chair)
- Joshua Kuehne (UTSA, Athletic Medicine, 2016-2017)  
The Evaluation of Repetitive Overhead Movements in Heating Ventilation and Air Conditioning Technicians (Thesis committee Chair)
- Audrey Ramirez (UTSA, Athletic Medicine, 2016-2017)  
The Evaluation of Arm Movements in Manual Wheelchair Users using Inertial Measurement Unit (Thesis committee Chair)

### **Independent Study Advisement**

- Rachael Taylor (UTSA, Kinesiology, 2015)  
The biomechanics of a balanced seat (Faculty advisor)

- Benjamin Williams (UTSA, Kinesiology, 2014)  
Relationship between wheelchair transfer and propulsion biomechanics and reports of shoulder pain (Faculty advisor)
- James Hernandez (UTSA, Kinesiology, 2014)  
Assessment and training of neck and trunk muscle strength (Faculty advisor)
- Niki Vora (UTSA, Kinesiology, 2013)  
Shoulder pain in manual wheelchair users (Faculty advisor)

### **Undergraduate Research Mentoring**

- Christopher Flood (UTSA, Kinesiology and Health Science, 2021-Present)
- Edgar Garza (UTSA, Athletic Medicine, 2017-2020)
- Kylie Dugan (UTSA, Athletic Medicine, 2017- 2020)
- Philip Light (UTSA, Athletic Medicine, 2017-18)
- Scott Matjeka (UTSA, Athletic Medicine, 2017-18)
- Ruben Asebedo (UTSA, Mechanical Engineering, 2017)
- Atenea Lopez (UTSA, Mechanical Engineering, 2017)
- Hannah Musser (UTSA, Athletic Medicine, 2016-2017)
- Gilbert Gomez (UTSA, Athletic Medicine, 2017)
- Stephan Brown (UTSA, Athletic Medicine, 2016)
- Angel Rodriguez (UTSA, Athletic Medicine, 2016)
- Dakota Williams (UTSA, Athletic Medicine, 2016)
- Ravina Patel (UTSA, Athletic Medicine, 2014)
- Chelsea Vasquez (UTSA, Athletic Medicine, 2015)
- Rebekah Campbell (UTSA, Athletic Medicine, 2014)
- Rebecca Smith (UTSA, Athletic Medicine, 2013)
- Matthew Sasse (UTSA, Athletic Medicine, 2013)

## PROFESSIONAL MEMBERSHIPS/CERTIFICATIONS

---

### National Athletic Trainers' Association

2001 - Present      Membership # 988277  
2004 - Present      Certification # 08042378

2004 - 2007          Eastern Athletic Trainers' Association  
2004 - 2007          Pennsylvania Athletic Trainers' Society

### Commonwealth of Pennsylvania Department of State Bureau of Professional and Occupational Affairs Athletic Training Licensure

2005 - 2006          License # RT003746

### North Carolina Board of Athletic Training Examiners

2010 - 2012          License # 1736

### American Red Cross

2009 - 2012          Professional CPR Instructor  
2000 - 2012          Professional CPR and AED  
2007 - 2012          Responding to Emergency Instructor

### American Heart Association

2013 - Present      Professional CPR and AED

## PROFESSIONAL SERVICE

---

### Presentation Moderation:

2010                  Human Movement Science Research Day, Chapel Hill, NC  
2009                  National Athletic Trainer's Association Annual Meeting, San Antonio, TX  
2009                  Human Movement Science Research Day, Chapel Hill, NC  
2008                  National Athletic Trainer's Association Annual Meeting, St. Louis, MO  
2006                  National Athletic Trainer's Association Annual Meeting, Anaheim, CA

### Committee Activity:

2016 - Present      National Athletic Trainer's Association Research and Education  
Foundation Free Communications Committee (Member)

### Journal Editorial Board:

2021 - Present      Journal of Sports Biomechanics, Associate Editor  
2017 - Present      Journal of Athletic Training, Editorial Board

**Journal Review Activities:**

2015 - Present	American Journal of Sports Medicine
2015 - Present	Journal of Sports Biomechanics
2014 - Present	Journal of Applied Biomechanics
2013 - Present	Journal of Sports Medicine and Physical Fitness
2012 - Present	International Journal of Athletic Therapy and Training
2011 - Present	Journal of Electromyography and Kinesiology
2011 - Present	Journal of Science and Medicine in Sport
2010 - Present	Gait and Posture
2009 - Present	Clinical Journal of Sport Medicine
2009 - Present	Athletic Training and Sports Health Care
2008 - Present	Sport Medicine Arthroscopy Rehabilitation Therapy and Technology
2008 - Present	Journal of Athletic Training
2006 - Present	Journal of Sports Rehabilitation

**Textbook Review Activities:**

2017	Prentice WE. The Elbow. In: Prentice WE. Principles of Athletic Training: a guide to evidence-based clinical practice. 16th ed. New York, NY: McGraw-Hill Education; 2017.
------	--

**Extramural Funding Grant Reviewer:**

2017	Pac-12 Student-Athlete Health and Well-Being Grant Program
2016	University of Texas at San Antonio GREAT Grant
2014	San Antonio Life Science Institute Innovation (SALSI) Challenge
2014 - 2015	National Athletic Trainer's Association Research and Education Foundation Grant
2009	University of South Dakota Junior Faculty Research Award

**University Service:**

University of Texas at San Antonio

2020 - Present	Department of Kinesiology, Assistant Department Chair
2020 - Present	Department of Kinesiology, Undergraduate Advisor or Record
2020 - Present	Department of Kinesiology, Department Faculty Review Advisory Committee, Chair
2020 - Present	Department of Kinesiology, Faculty Champion for Online Instruction
2019 - 2020	UTSA College of Education and Human Development Academic Policy and Curriculum Committee, Chair (College committee)
2018 - 2020	UTSA College of Education and Human Development Undergraduate Academic Council (College committee)
2017 - 2020	Department of Kinesiology, Health, and Nutrition, Assistant Department Chair

2016 - 2019	UTSA College of Education and Human Development Academic Policy and Curriculum Committee (College committee)
2016 - 2020	Department of Kinesiology, Health, and Nutrition, Academic Policy and Curriculum Committee, Chair (Department committee)
2017- 2018	UTSA Faculty senate, Curriculum Committee, Chair (University committee)
2016 - 2018	UTSA Faculty senate, Department representative (University committee)
2014 - 2016	Department of Kinesiology, Health, and Nutrition, Achievement and Recognition Committee, Chair (Department committee)
2013 - 2015	Department of Kinesiology, Health, and Nutrition, Secretary
2012 - 2014	College of Education and Human Development Scholarship committee
2013 - 2014	Parking and Traffic Committee (University committee)

**Research Symposium Organization:**

2011	Human Movement Science Research Symposium, Chapel Hill, NC Role: Chair Funding: American Biomechanics Society Regional Conferences Grant (\$2,000)
2010	Human Movement Science Research Symposium, Chapel Hill, NC Role: Assistant Chair

**PROFESSIONAL DEVELOPMENT**

---

**Continuing Education:**

2012	Journal of Athletic Training Reviewer's Workshop, St. Louis, MO National Athletic Trainers' Association Research and Education Foundation
2011	Seminar: Community-based Research, Chapel Hill, NC Department of Allied Health Science Research Forum
2010	Seminar: Scientific Writing, Chapel Hill, NC North Carolina Translational and Clinical Sciences Institute Pilot Grant Program
2009	College Teaching, Chapel Hill, NC University of North Carolina at Chapel Hill School of Education & Center for Faculty Excellence
2009	Journal of Athletic Training Reviewer's Workshop, San Antonio, TX National Athletic Trainers' Association Research and Education Foundation
2008	Journal of Athletic Training Reviewer's Workshop, St. Louis, MO National Athletic Trainers' Association Research and Education Foundation
