RESEARCH GRANTS & CONTRACTS

June 2022 – Present. Principal investigator (with Rob Tillyer & Brandon Tregle) – “Salt Lake City Police Department Violence Reduction Planning & Evaluation Project,” a research contract to implement and evaluate a violent crime reduction strategy for Salt Lake City (\$128,303).

April 2022 – Present. Principal investigator (with Rob Tillyer & Brandon Tregle) – “San Antonio Police Department Violence Reduction Planning & Evaluation Project,” a research contract to implement and evaluate a violent crime reduction strategy for the City of San Antonio (\$110,043).

April 2022 – Present. Principal investigator (with Rob Tillyer)– “Dallas Police Department Smart Policing Initiative,” a research contract to serve as the research partner/evaluator for the City of Dallas on a BJA-sponsored Smart Policing grant to reduce violent crime (\$128,808).

March 2022 – Present. Principal investigator (with Rob Tillyer & Brandon Tregle) – “Tacoma Police Department Violence Reduction Planning & Evaluation Project,” a research contract to implement and evaluate a violent crime reduction strategy for the City of Tacoma (\$95,857).

February 2021 – Present. Principal investigator (with Rob Tillyer) – “Dallas Police Department Violence Reduction Planning & Evaluation Project,” a research contract to implement and evaluate a violent crime reduction strategy for the City of Dallas (\$148,627).

July 2021 – Present. Principal investigator (with Rob Tillyer) – “Piedmont Police Department Call Data Study,” a research contract with the Piedmont, CA Police Department to analyze 911 call data for possible non-police response and racial disparities in reports from citizens (\$49,940).

May 2021 – Present. Co-Principal investigator (with Rob Tillyer) – “Livermore Police Department Traffic Stop Project,” a research contract with the Livermore, CA Police Department to analyze traffic stop outcomes data and to provide technical advice and assistance on data collection (\$45,000).

March 2021 – Present. Principal investigator – “Dallas Police Department Violence Reduction Planning & Evaluation Project,” a research contract with the Dallas Police Department to assist in the development, execution, and evaluation of a violent crime reduction strategic plan (\$50,000).

October 2020 – Present. Principal investigator – “SAPD Calls for Service Analysis and RMS Project,” a research contract with the City of San Antonio to analyze several years of calls for service data to identify types of calls that could potentially be diverted to non-police personnel for response. (\$50,000).

February 2020 – June 2021. Principal investigator (with Rob Tillyer & Robin Engel) – “Fairfax County Use of Force Disparity Study,” a research contract with the Fairfax County, VA Independent Police Auditor to analyze Fairfax County Police Department use of force data for evidence of racial disparity (\$99,998).

June 2019 – Present. Principal investigator (with Rob Tillyer & Chantal Fahmy) - “Evaluating an Information-Sharing Platform: Improving Communication Among Child Sex Trafficking Stakeholders,” an evaluation contract from the Kronkosky Charitable Foundation to investigate the implementation and effectiveness of a child sex trafficking data-sharing platform in the San Antonio region (\$236,332).

June 2019 – March 2020. Principal investigator (with Rob Tillyer) - “San Jose Police Department Data Audit Study,” a research contract from the San Jose, CA Police Department to audit traffic stop data required to be collected under California Assembly Bill 953 (\$9,990).

August 2019 – December 2019. Principal investigator (with Rob Tillyer) – “SJPD Sexual Assault Analysis,” a research contract from the San Jose, CA Police Department to identify patterns and trends in reported sexual assaults in San Jose (\$9,990).

January 2018 – Present. Principal investigator (with Rob Tillyer) - “Improving Human Trafficking Investigations: A Data-Driven Approach,” a research grant from the Department of Homeland Security (through the Center for Investigations and Network Analysis at George Mason University) to analyze national hotline data and manage the development of a national human trafficking prediction model (\$261,192).

August 2018 – May 2020. Principal investigator (with Rob Tillyer) - “A Multi-Method Investigation of Officer Decision-Making and Force Used or Avoided in Arrest Situations,” a research grant from the International Association of Chiefs of Police to investigate force used or avoided in arrest situations (\$103,074).

November 2017 – March 2018. Principal investigator - research contract to investigate the feasibility of locating a basic law enforcement training program at Winston-Salem State University (\$15,000).

September 2016 – Present. Co-principal investigator (with Geoff Alpert, Jeff Rojek, & Scott Wolfe) - “An Evaluation of a Social Interaction Training Program to Reduce the Use of Force and Build Legitimacy,” a research grant from the National Institute of Justice employing an experimental design to study the effects of procedural justice and conflict de-escalation training on police behavior (\$799,000).

April 2016 – October 2016. Lead research scientist (subcontracted by Hillard Heintze) to the United States Department of Justice, Office of Community Oriented Policing Services, on a collaborative police reform initiative in San Francisco (\$74,500).

February 2016 – March 2017. Principal investigator on a research contract from the City of San Jose, California to analyze possible patterns of racial bias in San Jose police traffic and

pedestrian stops (\$150,914).

May 2013 – April 2015. Director and principal investigator, *National Center for Border Security and Immigration*, a Department of Homeland Security Center of Excellence (\$1.6 million).

May 2007 – May 2008. Principal investigator (with Robin Engel) on a research project funded by the City of Seattle to evaluate possible patterns of racial bias in Seattle Police drug arrests (\$76,000).

May 2007 – October 2007. Principal investigator - "Assessing Violent Crime Patterns and Trends in Charleston and North Charleston," a research grant from the cities of Charleston and North Charleston, South Carolina to analyze violent crime patterns and trends in those cities over three years (\$46,000).

May 2007 – February 2008. Co-principal investigator (with Jeff Rojek) - "Assessing Gang and Youth Violence in the Columbia Area," a research grant from the City of Columbia to assess the nature and extent of the youth gang problem in Columbia and Richland County (\$120,000).

January 2006 – July 2008. Co-principal investigator (with Geoff Alpert) - "A Multi-Method Evaluation of Police Use of Force Outcomes," a research grant from the National Institute of Justice to study use of force in law enforcement agencies throughout the United States (\$650,000).

January 2006 – May 2006. Principal investigator on a research grant from the Richland County, South Carolina Sheriff's Department to study victim satisfaction with sheriff's department services (\$18,000).

September 2005 – August 2006. Principal investigator on a research grant from the University of South Carolina to study the impact of Hurricane Katrina on local law enforcement (\$12,000).

October 2002 – May 2004. Principal investigator on a Spokane, Washington Police Department project to develop a racial profiling data collection instrument and methodology (\$30,000).

November 2000 – November 2004. Co-principal investigator (with the Alpert Group) on a research project funded by Miami-Dade County, Florida to study racial profiling by the Miami-Dade Police Department (\$300,000).

January 2000 – June 2000. Principal investigator on a Richmond Police Department-sponsored-project to study racial profiling (\$10,500).

September 1998 – July 1999. Principal researcher/author on a State Justice Institute grant to study the issue of mediation and the unauthorized practice of law (\$25,000).

January 1997 – December 2000. Co-principal investigator (with Kenneth Adams) - “Perceptions of Police Accountability in the Citizen Complaint Process,” a research project sponsored by the National Institute of Justice that examines various dimensions and perceptions of the citizen complaint process within five police agencies (\$300,000).

June 1997 – August 1997. Principal investigator on a project sponsored by Sam Houston State University to conduct a national survey of police non-lethal force policies (\$5,000).

June 1995 – August 1995. Principal investigator on a project sponsored by Arizona State University to study the justice decision-making norms of police officers in Phoenix, Arizona (\$5,000).

PAPER AND POSTER PRESENTATIONS

Tillyer, R., Smith, M.R., & Engel, R.S. (2021). “Resistance as a Consistent Predictor of Force: Emerging Evidence of Change.” Poster presented at the 2021 meeting of the American Society of Criminology. Chicago, IL.
