Region 8

Master of Social Work/Child Protective Services Stipend—EMPLOYEES ONLY

The Texas Department of Family and Protective Services and the University of Texas-at San Antonio offers a stipend for each semester to Texas Department of Family and Protective Services' employees. The employee contracts to do their field placements with Child Protective Services and continue to work full time for the agency after graduation for four (4) calendar months for each academic unit/semester that the student received a stipend. Please consider the affect that this stipend would have on your financial aid package when considering your stipend application. **All Application Cover Froms are accepted as electronic documents ONLY.
