

March 2018

CURRICULUM VITAE

Name: Ephrem Fernandez, Ph.D.

Address: Psychology Department
University of Texas at San Antonio
One UTSA Circle, San Antonio, TX 78249
U.S.A.

Phone: (210) 458-5755

E-mail: ephrem.fernandez@utsa.edu

Academic Credentials

1989 Internship (Clinical Psychology) APA-Accredited
Western Psychiatric Institute & Clinic
The University of Pittsburgh School of Medicine

1989 Ph.D. (Clinical Psychology) APA-Accredited
The Ohio State University

1986 M.A. (Experimental Psychology)
Miami University

1980 B.A. (Honours in Psychology)
University of Western Australia

Primary Academic Appointments

2006-present Professor of Clinical/Health Psychology, Univ. of Texas, San Antonio

1996- 2006 Associate Professor, Clinical Health Psychology
Southern Methodist University
Special faculty in clinical psychology, University
of Texas Southwestern Medical Center (1998-2005)

1993-1995 Assistant Professor, Clinical Health Psychology
Southern Methodist University

1990-93 Lecturer, Clinical Psychology
Deputy Director of Psychology Clinic
University of Queensland, Australia

Visiting Scholarships

Fall 2016	Visiting Scholar, Psychology Dept., University of California, Berkeley
Spring 2014	Visiting Scholar, Institute of Personality & Social Research, University of California, Berkeley
Fall 2009	Visiting Scholar, Dept. of Linguistics, University of California, Berkeley & International Computer Science Institute, Berkeley, California
Fall 2000	Visiting Scholar, University of Washington, Seattle, School of Medicine

Other Academic Appointments

2018-present	Honorary Professorial Fellow, Australian Centre for Heart Health
2017-present	Professorial Research Fellow, James Cook University

Workshops & Symposia

Day, A., & Fernandez, E. "Thinking about anger". Workshop presented at Ferdy's Haven, Palm Island, Australia, December 17 2017.

"Understanding, Assessing, and Treating Dysfunctional Anger". CE Workshop presented at the 125th Annual Convention of the American Psychological Association, Washington, DC, August 5th 2017.

"Developments in the Assessment & Treatment of Dysfunctional Anger". CE Workshop presented at the conference of the 124th Annual Convention of the American Psychological Association, Denver, CO, August 7th 2016.

"Anger: Gold Standards in Research to Best Practices in the Real World". Symposium organized for the Association For Psychological Science Annual Convention, New York, May 24th 2015.

"Anger Dysfunction, Assessment Milestones, and Treatment Approaches". CE Workshop presented at the 122nd Annual Convention of the American Psychological Association, Washington, DC, August 7th 2014.

"Violence in Australia: Perspectives, Policies, and Solutions". Roundtable Conference co-chaired with Andrew Day at Deakin University, Melbourne, Australia, July 1st, 2014.

"Treatment Approaches to Dysfunctional Anger". Workshop presented at the University of California, Berkeley, Extension, April 19th 2014.

"Anger Dysfunction, Assessment Milestones, and Treatment Approaches". CE Workshop presented at the 121st Annual Convention of the American Psychological Association, Honolulu, HI, August 2nd 2013.

"Developments in Assessment and Treatment of Anger". Workshop presented at the Australian Centre for Posttraumatic Mental Health, The University of Melbourne Dept. of Psychiatry, Melbourne, Australia, July 2012.

"Enhanced and Integrated Psychological Techniques For Regulating Anger". Workshop presented at the Annual Conference of the New Zealand Psychological Society, Rotorua, July, 2010.

"Problems in Pain Assessment and Solutions From Psychology". Symposium chaired at the Association For Psychological Science Annual Convention, Boston, May 2010.

"Integrative Psychotherapy for Anger: Theory and Application". Workshop presented at the Australian Psychological Society, College of Forensic Psychologists SA Section: Professional

Development Seminar Series, Adelaide, Australia, July 2009.

“CBAT: An Innovative and Integrative Approach to Psychotherapy”. Workshop presented at the Hawaii International Conference on Social Sciences, Honolulu, June 2005.

“Current Clinical and Methodological Issues in Psychotherapy for Anger”. Workshop conducted at the Society for Psychotherapy Research, Lausanne, Switzerland, March 2005.

“Dynamic Interactions between Pain and Affect: Implications for Clinical Practice”. Workshop conducted at the 17th World Congress on Psychosomatic Medicine, Waikoloa, Hawaii, August 25 2003.

“Do Benefits of Opioids Outweigh Risks for Treatment of Chronic Pain?”. Debate moderator, 17th World Congress on Psychosomatic Medicine, Waikoloa, Hawaii, August 25 2003.

"Sequential Integration of Cognitive-Behavioral and Experiential Techniques for Regulating Anger". Workshop conducted at the Annual Conference of the Society for the Exploration of Psychotherapy Integration, Santiago, Chile, June 15 2001.

"Negative Affect, Arousal, and Emotions Intrinsic to Pain". Symposium chaired at the 16th Annual Scientific Meeting of the American Pain Society, New Orleans, October, 1997.

"Pain, Anger, and Negative Emotions". Symposium chaired at the 15th Annual Scientific Meeting of the American Pain Society, Washington, D.C., November, 1996.

"Anger Expression and Control". Invited workshop conducted at Southern Methodist University School of Continuing Education, March-April 1996.

"Emotional Suffering of Physical Pain: A Cognitive-Behavioral Analysis". Invited workshop conducted at the 18th National Conference of the Australian Behaviour Modification Association, Melbourne, July 1-5, 1995.

"The Affective Component of Pain: From Experimental to Clinical Applications". Workshop conducted at the 23rd International Congress of Applied Psychology, Madrid, Spain, July 17-22, 1994.

"Predicting Treatment Outcome in Chronic Pain Management Programs". Invited workshop conducted at the Second National Rehabilitation Conference, Sydney, May 12-14 1993.

"Psychological Remediation of Pain and Suffering". Invited workshop conducted at the First Asian Conference in Psychology, Singapore, October 28-30 1992.

"Pain and Behavioral Medicine". Symposium chaired at the Fourth World Congress of Behavior Therapy, July 4-8 1992, Queensland, Australia.

"Emotions". Continuing Education Workshop, The University of Queensland, April 11 1992.

"The Psychology of Pain". Workshop at The University of Western Australia Extension Service, June 15-July 20, 1982.

Select Service to Community & Media

COLFA Discourses, UTSA. Led faculty discussion group on "Is the World Getting Hotter and Angrier?" San Antonio, April 2nd 2015.

Organized university-wide talk by Dr. David Biro (Downstate Medical Center, New York) on the language of pain.

Honorary guest speaker, Psi Chi Induction Ceremony, December 8th, 2013

"Dealing With Anger". Interview of Ephrem Fernandez by David Martin Davies, Producer: Paul Flahive, The Source, Texas Public Radio, Aug 21st 2013.

Research talk, Psi Chi National Honor Society, UTSA Chapter, November 14th 2011.

"In Pain? Fight the Stiff Upper Lip". Interview of Ephrem Fernandez by Radha Chitale, ABC News. Nov 11, 2008.

"Profiles of Anger: What's Functional and What's Dysfunctional?" Workshop presented at the San Antonio Council on Alcohol and Drug Abuse, May 2, 2008.

"Psychotherapy for a Better World?". Led discussion group for the "Great Conversation", UTSA/Institute of Texan Cultures, February 27th 2007.

"Anger Management". Invited workshop at Family Survival Camp, Dallas February 26th 2005.

"Anxiety, Depression, and Anger". Invited address to Psi Chi National Honor Society, SMU Chapter, October 28th 2002.

"Relax and Release: Stress Management and Emotional Regulation for Diabetics". Workshop presented at the American Diabetes Association, Dallas, Texas October 6th 2001.

"The Concept of Psychological Damage and its Measurement in Human Subjects Research". Presented at the Ethics Works-in-Progress Seminar, University of Texas Southwestern Medical Center, Dallas, Texas, September 21st 2001.

"Managing stress and distress in diabetics". Workshop presented at the American Diabetes Association, Dallas, Texas, February 20th 2001.

"Violence in Society". Workshop presented at the Youth Conference, Kerala Association of Dallas, October 23rd 1999.

Awards/Recognition

2017 (Nov 17): UTSA Honors Alliance award for “excellence in promoting academic integrity, intelligent living, and meaningful learning”

2016: Development Leave Award for Fall 2016

2011: UTSA Finalist for summer stipend application to National Endowment for the Humanities

2009: Development Leave Award for Fall 2009

2009: Psychology Dept. Finalist/Nominee for President’s Achievement Award in Research

2005: SMU Rotunda Outstanding Professor Award

2004: SMU Psychology Dept. Award for Excellence in Undergraduate Teaching

2002, 2003, 2004: HOPE (Honoring Our Professors’ Excellence) Recognition, SMU

2003: Honorary Faculty Member, Golden Key International Honor Society

2001: Teaching Fellowship, Maguire Center for Ethics & Public Responsibility, SMU

2000: SMU Dedman College Special Research sabbatical

1996: Southern Methodist University Dedman College Research Fellowship for Fall Semester

1993: Special Studies Program, University of Queensland, for six months' sabbatical at Pain Evaluation & Treatment Institute, University of Pittsburgh School of Medicine

1985: State of Ohio Traineeship for predoctoral clinical training, Ohio State University

1984: Graduate Research Award, Miami University -- for thesis research at Yale University

1984: Graduate Student Achievement Award, Miami University -- for paper presentation at Midwestern Psychological Association

1981: Postgraduate Research Award from University of Western Australia for graduate study in Psychology

1978-79: Tertiary Education Award, Education Dept. of Western Australia for Honours Program in Psychology, University of Western Australia.

Active Grants

Johnson, S.L., (p.i.), Carver, C., (co-I) & Fernandez, E. (co-I). Aggression in the context of impulsive responses to emotion: Testing an intervention. Guggenheim Foundation, \$80,000, 2016 -2017.

Grants in Submission

Fernandez, E. (P.I.), Johnson, S.L., Tanaka, H., & Patel, D. (co-I's). Anger and Cardiovascular Measures: Convergence and Responsiveness to a New Integrative Treatment for Anger. National Institutes of Health

Larson, E., (P.I.) Nair, S.,(P.I.) & Fernandez, E. (co-I.). RI: Medium Collaborative Research: Using Commodity Devices to Assess Cognitive Load, Frustration, Boredom, and Fatigue. National Science Foundation.

Grants Completed

Fernandez, E. (p.i.). Parameters and Expressions of Anger. International Initiatives Grant, UTSA, \$2500, 2013.

Fernandez, E. (principal investigator). "Psychometric properties and diagnostic utility of the Pain Descriptor System". National Institutes of Health, R21NR009665 grant, \$309,278 (direct costs), 2007-2011.

Fernandez, E. (principal investigator). "CBAT: An integrative program for regulating anger". University Research Council grant: \$6000, 2004-2006.

Fernandez, E. (principal investigator). "Confirmation and cross-validation of a parsimonious subset of verbal descriptors of pain from the McGill Pain Questionnaire". R. W. Johnson Pharmaceutical Research Institute: \$50,000, 1999-2003.

Fernandez, E. (principal investigator). "Cost effectiveness of multidisciplinary pain management". SMU URC Grant: \$3,000, 1998-1999.

Fernandez, E. (principal investigator). "Self-disclosure versus support for pain and suffering". National Institutes of Health: \$35,818, 1995-1997.

Fernandez, E. (principal investigator). "National survey of objects and issues of anger in a chronic pain. population". SMU URC Grant: \$2,000, 1994-1995.

Fernandez, E. (principal investigator). "Measurement of pain and pain relief: extensions from the laboratory to clinical contexts". The University of Queensland Special Project Grant, \$10,000, 1992-1993.

Fernandez, E. (principal investigator). "The Matching Law as a model for the description and modification of chronic pain behaviour". The University of Queensland New Staff Research Grant, \$15,000, 1992-1993.

Fernandez, E. (principal investigator). "Psychophysical scaling of menstrual pain and its response to analgesics". Sterling Pharmaceuticals Pty Ltd.: \$13,000, 1991-1993

Fernandez, E. (principal investigator). "Psychophysical scaling of pain and analgesia: clinical applications". The Boots Pharmaceutical Company Pty. Ltd.: \$3,000, 1991-1993.

Fernandez, E. (principal investigator). "Pain and emotional distress: Issues of primacy and modifiability". The University of Queensland Psychology Department Research Grant: \$2,000, 1990-1991.

Teaching Experience

University of Texas at San Antonio (2006-present)

PSYC 5113: Professional Ethics & Standards
 PSYC 5313: Seminar in Psychopathology
 PSYC 5363: Seminar in Health Psychology
 PSYC 3543: Introduction to Clinical Psychology
 PSYC 4253: Psychology of Health
 PSYC 2513: Abnormal Psychology

Southern Methodist University (1993-2006):

PSYC 3380: Health Psychology; PSYC 5356: Introduction to Clinical Psychology; PSYC 6352: Counseling II: Group Therapy; SOSC 6322/BHSC 6322: Mind, Body & Health; PSYC 5383: Behavioral Medicine Techniques; PSYC 5362/PSYC 5387: Emotions: Psychological & Interdisciplinary Perspectives; PSYC 6360 Ethics in Psychological Science & Practice.

University of California, Berkeley (Summer 2016):

PSYCH N139 (Case Studies in Clinical Psychology)
 PSYCH N135 (Treatment of Mental Illness)

University of Texas Southwestern Medical Center (2002 - 2005):

PSYC 5356: Doctoral course on Adult Psychopathology (Fall 2002); guest lectures in Health Psychology.

University of Queensland (1990-1993):

Lectured in team-taught courses: PY 809 (Behavior Analysis & Therapy), PY 466 (Special Topics in Clinical Psychology), PY 443 (Behavioral Therapies), PY 335 (Psychopathology), PY 269 (Human Associative Learning), PY 262 (Personality & Individual Differences), and PY 101 (Intro to Psychology).

Clinical Experience

Licensed psychologist, Australia: PSY0001304736

1996 – 2009: Consultant to David Rudick-Davis, Ph.D., psychologist in private practice

2004-2007: supervised by Dr. William E. Flynn, forensic psychologist in private practice.

1998-2000: Consultant on anger/violence management, Dallas County Sheriff's Dept. --
Chemical Dependency Unit, and the Trinity Center, Dallas.

1997-1999: Board of Directors of Victims Outreach, a support and referral center for victims of
violent crime; currently on advisory board.

1996-2002: Consultant to Baylor Center for Pain Management, Dallas, Texas.

1991-92: Development and implementation of a program for assessment and management of
suffering in patients with chronic, intractable pain.

1990-92: Management and supervision of psychological services at Psychology Clinic,
University of Queensland; intakes and psychological screening, Director of Externship
Program for graduate clinical training.

1989: Pain Evaluation & Treatment Institute, Presbyterian University Hospital: Screening of
pain patients for research and intervention.

1989: Mayview State Hospital: Anger Management groups and individual therapy for forensic
patients awaiting trial/sentencing

1988-89: Western Psychiatric Institute & Clinic, University of Pittsburgh School of
Medicine: psychodiagnostic interviewing and cognitive-intellectual testing of children;
implementing treatment programs for Attention Deficit Disorder, Oppositional/Conduct
Disorder; exposure and flooding for adults with obsessive compulsive disorder, social phobia
and agoraphobia; psychodiagnostic evaluation of emergency psychiatric admissions.

1987-88: Dept. of Physical Medicine (Dodd Hall), Ohio State University Hospitals.
Psychopathology assessment, individual counseling and programmatic cognitive-
behavioral therapy for inpatients with chronic pain; multidisciplinary case management.

1987-88: Ohio Industrial Commission, J. Leonard Camera Center, Health Psychology
Division: Intellectual-cognitive testing and psychophysiological assessment and
intervention for industrial accident victims claiming worker's compensation.

1986-87: Psychoeducational Clinic, Dept. of Psychology, Ohio State University: short-term

individual psychotherapy for clinic clients, primarily utilizing rational-emotive approaches.

1985-86: Psychoeducational Clinic, Dept. of Psychology, Ohio State University: psychological screening and intakes for clients, and co-ordination of clinic services.

1984-85: Central Ohio Psychiatric Hosp: inpatient projective testing, experiential psychotherapy.

1983-84: Student Counseling Service, Miami University: applications of biofeedback for managing acute stress and psychophysiological disorders in student population.

Clinical Supervision

Supervision of 8 Master of Clinical Psychology interns within Psychology Clinic and Behaviour Research & Therapy Centre, Univ. of Queensland (1990-93).

Co-Supervisor for all Master of Clinical Psychology interns on external placements in community mental health facilities, Univ. of Queensland (1990-93).

Research Supervision
