1. Please briefly describe the scope of your agency's work. Printed brochures or fact sheets explaining your organizational goals may be attached.

*The Medical Arts & Research Center (MARC) at UT medicine is comprised of the University of Texas at San Antonio Medical school faculty. On the third floor of the MARC, there is an outpatient physical therapy clinic that treats orthopedic-related conditions, neurological conditions, and pre/post orthopedic surgery cases. In some instances, there are also other conditions that can be treated that fall within areas such as podiatry as well as hand/wrist therapy.*

2. Indicate the most appropriate person(s) to contact within your agency regarding internship possibilities.

<u>NAME</u>	<u>TITLE/RESPONSIBILITY</u>	<u>PHONE#</u>
Chad Hodges	Physical Therapist	
Sheri Fossler	Lead Physical Therapist	

3. Briefly describe the internship experiences available with your agency.

*As an intern at the MARC, you will receive the opportunity to utilize the knowledge you have acquired through your degree in kinesiology to work alongside the patients by guiding them through exercises in their therapy program. The physical therapy department at the MARC also serves as a clinical setting for students in PT School; therefore as an intern, you will also gain new found knowledge from physical therapy students who are currently working on their degree.*

4. Are there any restrictions to an internship that the student or university should be aware of?  
Will this be a paid position?

*Student will need to fill out appropriate forms from Human Resources upon interviewing and go to parking services to obtain a volunteer I.D. badge. Further information will be given to student at interview and after receiving internship offer.*

This will not be a paid position.
