1. Please briefly describe the scope of your facility/agency's work. Printed brochures or fact sheets explaining your organizational goals may be attached.

The San Antonio AIDS Foundation has a dual mission — to provide compassionate medical care and social services to people with HIV/AIDS and to help prevent the spread of HIV through education, counseling and testing. The Testing Department provides free rapid HIV, syphilis, and HVC testing, counseling, and follow up in our local office and through outreach into the community. Our target populations are men who have sex with men (MSM) and minorities 18–24 years old.

2. Indicate the most appropriate person(s) to contact within your facility/agency regarding internship possibilities.

3. Briefly describe the internship experiences available with your facility/agency.
Interns are trained to become HIV test counselors (client-centered risk-reduction counseling), outreach into the MSM (men who have sex with men) and young minority community, and collaborate with local businesses to bring SAAF services to high-risk communities. Interns will also enter testing records into database accurately and in a timely manner, answer phone calls.
4. Are there any restrictions to an internship that the student or university should be aware of?
Will this be a paid position? **No**
5. Is your organization a HIPPA covered agency? YES _____ **X** _____ NO _____
